

Volunteers

"Never doubt that a small group of committed people can change the world. Indeed, it is the only thing that ever has." -- Margaret Mead

Open Arms Children's Foundation is a completely volunteer run organization, with no paid staff. We count on committed individuals who bring their energy and unique skills and a passion to improve the lives of voiceless orphaned children.

How Can You Help?

The Fundraising Committee of Open Arms Children's Foundation is looking for people to help with special fundraising events: dinners; silent and live auctions; children's events; and sporting tournaments.

Individuals can make donations of goods or services for special events.

Families can host celebratory parties with donations requested in lieu of gifts.

We welcome assistance of all kinds, including administrative support that is required from time to time at the Open Arms Children's Foundation office.
